# ABOUT US

Plastirun Corporation has a reputation for providing quality products combined with excellent value. Our customers rely upon our personalized customer care to provide specialty items, custom tailored to meet their needs. We create a variety of products in every market category, maintaining each brand's superb standards.

Plastirun was established in 1982. In the beginning, our focus was on the manufacturing and distribution of drinking straws and bar stirrers. Since then, Plastirun has rapidly expanded its manufacturing facilities to meet customer demand. Our state-of-the-art machinery allows us to maximize production with exceptional quality while keeping our prices competitive. The wide variety of products we manufacture, gives you the convenience of one-stop shopping. We are continually expanding and now specialize in private label packaging.

With over 35 years of manufacturing and distribution experience, Plastirun is focused on customer service, competitive pricing and of course quality.

# CONTRACT CONVERTING

Plastirun Corporation is a family owned and operated paper converting business which was established in 1982. With its headquarters and plant located in Brentwood, New York, Plastirun has added contract converting to its focus, for both the retail and away from home markets. As contract converters, we understand the importance of flexibility. Our high speed State-of-the-art machinery was custom made to accept a wide variety of roll widths and diameters in order to accommodate paper from many different mills. Whether you would like for us to use your raw materials or for us to source them for you, we will create the right program custom tailored to meet your needs. Out of its Brentwood, New York plant, Plastirun provides contract converting solutions for the following products:

- Kitchen Roll Towels
- Bathroom Tissue
- Facial Tissues
- Lunch Napkins
- Dinner Napkins
- Beverage Napkins
- Tall Fold Napkins
- Low Fold Napkins
- Interfolded Dispenser Napkins
- Paper Plates

If your company is looking to meet certain capacity requirements, looking to save money on freight or would like to add a new product to your mix, you can rely on our personalized customer care to put together the right program for you.

# PRIVATE LABEL

Plastirun Corporation also offers our customers the ability to purchase our products under their own label. Using the latest of cutting edge technology, our machinery will be able to satisfy your packaging requirements, for both the retail and away-from-home markets. This program is available for all of our paper items including: Lunch Napkins, Dinner Napkins, Paper Towels, Bath Tissue, Facial Tissues, Paper Plates, Dispenser Napkins and Beverage Napkins. Whether you are looking for an environmentally friendly product or a national brand equivalent, we will create a program to cater to your needs. We also have the ability to offer various counts, sizes and pack configurations to fit your specific market. Our team of talented artists and designers will help you finalize all of your packaging design.

We are happy to offer low private label minimum requirements, so please inquire with our sales team for more information!

## Kosher For Passover Program

We also offer our products in a Kosher for passover label, so be sure to ask our sales team for more information.

Plastirun puts an emphasis on manufacturing its products in the USA with the imperative goal of giving back to our great country by strengthening our local economies and community. Our vision is to continue building and growing a sustainable manufacturing business right here in the United States. With 100% of Plastirun's business being US owned and operated we have made large investments in state-of-the-art equipment and are committed to continue doing so.

Here at Plastirun we understand the importance of being environmentally friendly. The large combinations of paper products we manufacture are recycled, renewable, biodegradable and/or compostable. Our 100% recycled products have a minimum of 20% Post Consumer recycled content.
